QUALITY LARD CAN RESULT BY FEW ODD TRICKS

Homemade lard is a quality product if the maker observes a few precautions in the processing. API Extension Hog Marketing Specialist Ray Cavender stressed in Auburn this week.

To insure a quality lard, the fat trimmings should be rendered as soon as the cutting and trimming job has been completed. The Specialist explained that if the fresh pork has been allowed to chill thoroughly, trimming and cubing the fat will be much easier.

Cavender advised home processors to use a moderate fire, over-cooking lard lowers its keeping qualities. Quick cooking will add to the quality of the lard.

Homemade lard will keep much better with the addition of two or three pounds of commercially processed vegetable shortening to every 50 pounds of lard at rendering time.

The reason for the addition of the vegetable shortening, Cavender explained, is to prevent the lard from becoming rancid. The vegetable shortening contains a form of vitamin E which prevents rancidity, oxidation of substances in animal fats.

Cavender went on to say that specially prepared compounds to keep down rancidity in lard are available at most butcher supply houses. Known as antioxidants, these compounds have directions for use on the package.

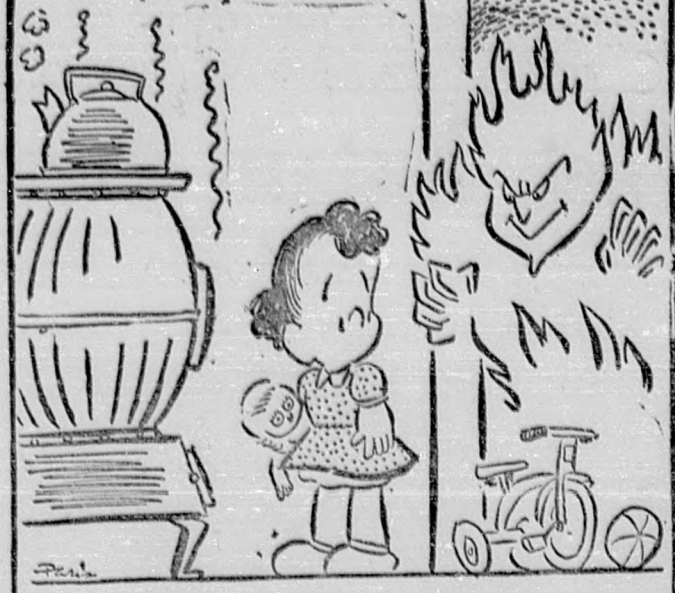

However, the specialist said the anti-oxidant in the form of vitamin E in vegetable shortenings provides an inexpensive and easy way of controlling rancidity without tampering with chemical compounds.

Teachers Institute Is Set By College

High school science and mathematics teachers from Coffee County are invited to apply for grants to attend a six-week summer institute to be sponsored by the National Science Foundation at Birmingham - Southern College. The college will select 60 of the applicants to receive stipends of \$450 each, plus allowance for dependents and for travel, to be applied on expenses of the six-week institute.

Don't close the windows of your chicken house too tightly. Adjust ventilation to weather conditions and to the number of birds in the house.

From Our Early Files

22 YEARS AGO
The Elba Study Club was entertained for its regular meeting in the home of Mrs. Phil Crigler with Mrs. Crigler and Miss Mabel Brunson as joint hostesses.

A Christmas pageant was given by the club members with Mrs. M. Garrett as leader. Club members participating were Mrs. D. B. Pordue, Mrs. L. S. Rainer, Rosa Pat Rainer, Marjorie Murphree, Jean Brunson, Lamar Rainer, Mrs. W. M. Ringdorf, Mrs. Lillian Ringdorf, Mrs. J. M. Rowe, Mrs. L. L. Farris, R. L. Cooper and Miss Mabel Brunson.

The hostesses served a salad plate, fruit cake and hot coffee to 19 members and to Mrs. E. E. Purvis of Rocky Mount, N. C., and Mrs. L. L. Harper of Alexandria, Virginia.

Charles Benjamin Bell, age 61, mayor of New Brockton and well known lumberman of this section, died suddenly at his home in New Brockton. Mr. Bell was a lifelong resident of Coffee County. For many years he was active in the lumbering business in the county.

Funeral services were held from the Baptist Church in New Brockton Tuesday with the pastor, Rev. W. M. Bush, officiating. Burial was in the New Brockton cemetery.

Miss Sara Shealy and Miss Gladys Clark jointly entertained at a dinner party at Talley's Cafe here on Mr. and Mrs. L. L. Harper of Alexandria, Va. After the dinner hour, the guests were invited to the home of Miss Clark for a social hour. Enjoying this delightful courtesy were Mr. and Mrs. L. L. Harper, Mr. and Mrs. Phil Crigler, Mr. and Mrs. Jeff Crigler Jr., Miss Louis Crigler, Mr. Warren Ellis of Ono, Mr. Eric Paul, Mr. Henry Clark and 1958.

DRUG KNOW-HOW

Do you know that 90% of the prescriptions compounded to day contain drugs that weren't even known 15 years ago? A thorough knowledge must be maintained to keep the patient safe. We will always dispense your prescription with precision and "just what the doctor ordered."

YOUR Local PHARMACEUTIC

Elba Drug
YOUR Local PHARMACEUTIC

"TO MAKE A MOUNTAIN OUT OF A MOLE-HILL"
There was once a man who suffered from indigestion. Everytime he read an ad about how to relieve it, he bought a different patent medicine. He hated radio and television because the announcers reminded him of his stomach-aches. He tried their remedies too, but still suffered.
He worried, because he thought he might have ulcers. One day he said to himself, "I will consult a physician." The physician examined him, prescribed the particular medicine that could help him most, and he got better.
Moral - Wasn't he the foolish one to wait so long before consulting his physicians?

CONTROL CENTER for civil defense in northeastern Illinois near Wheaton, Ill., is an example of new facilities being constructed to provide city and state governments with headquarters for emergency operations in case of nuclear attack. This underground control center is built to withstand a nuclear blast equivalent to 25 million tons of TNT only three miles away. Heart of center is the radio communications room, partly shown here. (GODM Photo)

CATTLE GRUBS AND LICE CAN BE CONTROLLED

Lice and grubs are major pests to be controlled by Alabama farmers during winter months.
Speaking in Auburn this week, API Extension Entomologist W. A. Ruffin said that at this time of year cattle grubs have worked their way through the animal's body to just below the surface of the skin along the neck. These pests then cut air holes through the skin and thus reduce the selling price as much as \$10 per animal.
Lice, another major winter pest, prevent beef cattle from gaining weight rapidly and cut down on milk production in dairy animals, Ruffin said.
Both cattle grubs and lice can be controlled by spraying or dusting with rotenone. A spray of 7 and one-half pounds of five per cent rotenone to 100 gallons of water will be effective if applied at 200 to 400 pounds of pressure along the backs of the cattle.
A two per cent rotenone dust can be used on dairy animals and 4-H calves that are gentle enough to be dusted. Two or three treatments of rotenone are necessary, the specialist pointed out.
A dust containing pyrethrum or rotenone is the only material that can be used on lactating dairy animals for control of lice, Ruffin said. Two treatments in a two-week period with either of these materials is required for lice control.

THE CHURCH FOR ALL... ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Four Generations Gather at Home Of Cecil Wise

Four generations of one family were gathered at the home of Mrs. Cecil Wise during the Christmas holidays.

Present were: Rev. and Mrs. Charles Raburn of Plant City, Fla.; Mr. and Mrs. Don Messick and Danny of Othello, Mr. and Mrs. Odie Brooks of Crest-

Gardiner Clarks Are Vited Christmas

The home of Mr. and Mrs. Gardiner Clark was the destination of many relatives and friends during Christmas. Those included: Mr. and Mrs. O. A. Ellis and Mr. and Mrs. Francis of Opp; Mr. and Mrs. C. M. Lee of Enterprise; Mr. and Mrs. O. H. Ramey of Huntsville; Mrs. Lewis Crew; Patti Lee and Jeff Corley of Goodwater; Mr. Stephen Lee and Mr. Charles Clark and Chuck of Birmingham; Mr. and Mrs. G. W. House and Jerry of Opelika; and Mr. and Mrs. James Clark. Jimmy, Jeff, Johnny, Joanna and Janet of Browers.

EOT Bridge Club Entertained By Mrs. Prescott

The E. O. T. Bridge Club was entertained last Tuesday at the home of Mrs. Cecil Prescott. Delicious refreshments were served to the members and one guest, Mrs. Hendrix Jeter Sr.

Darlene Rae Hively Is Wed Here To Mr. Ramson

Mr. and Mrs. W. R. Duram, of Elba, announced the marriage of their daughter, Darlene Rae Hively, to Mr. James Leslie Ramson, son of Mr. and Mrs. Leslie Ramson of Cedar Rapids, Iowa. The ceremony was performed at the Methodist Parsonage by the Rev. Ralph Hendricks, Tuesday, December 23 in the presence of the immediate families.

The bride wore a dress of blue with matching full length coat and an orchid corsage. Mr. and Mrs. Ramson will make their home in St. Petersburg, Florida.

Personals

Mr. and Mrs. Lewis Stephens Jr. and Mr. and Mrs. Robert Cannon spent Wednesday and Thursday at Gulf Beach.

Miss Suzanne Larkins has returned to Dothan after spending two weeks with Mrs. Toke Rhodes.

Mr. and Mrs. E. J. MacDonnell have returned to Columbus after coming to Elba for their young son Tommy who had been visiting with Mrs. Toke Rhodes and Miss Toke Rhodes.

Col. and Mrs. Don Williams of Fort Walton, Florida, were guests at the home of Mr. and Mrs. L. S. Rainer Sr. recently.

Burt, six weeks old son of Mr. and Mrs. Jake Lubert Morrow, was operated on at Jackson Hospital in Montgomery January 2.

Mr. and Mrs. Jim Vinson have returned from Almore where they spent Christmas with Mr. and Mrs. Clyde Turner.

Miss Jeanette Garrett has returned to Birmingham after spending several weeks here.

with her mother, Mrs. John Garrett.

Mr. and Mrs. Ben H. Brown and children, Lee, William H., Carol Ann, and Tony, of Elba, Ala., and a friend, Leroy Vickers of Pansy, Ala., have returned home from Fithian, Ill., after spending the Christmas holidays with Mrs. Brown's sisters, Tolsey, Cunningham and Sarah Adamson of Fithian, Ill., and Mary Livings of Dearborn, Michigan.

Mr. and Mrs. H. H. Swain of Elba were visited over the Christmas - New Year holidays by a number of their children and grandchildren who also visited other relatives and friends during their stay here. They were: Mr. and Mrs. M. V. Swain and son Jimmy of Fort Walton Beach, Fla.; Mrs. R. L. Taylor and daughter Judy of Panama City; Captain and Mrs. James C. Swain of Fort Sill, Okla.; and children Carla Ruth, Gregg, Dorrie and Stevie; Mr. and Mrs. H. G. Swain and children Tommy, Jo Linda and Dickie of Alexandria, Va.; Mr. and Mrs. Elton Raley and son Randy of Auburn.

Mr. and Mrs. A. W. Young, and Mr. Sam Young of Tablank, Texas, spent several days in Ashville, N. C. with Mr. and Mrs. Frank Young.

Rev. and Mrs. Elmer Brunson of Charlotte and Howard of Temple, Texas, spent the week with Mrs. Post Brunson and Miss Mercer Brunson.

Mr. and Mrs. Fox Brunson, Sr. and Mr. Marion Brunson went to Mobile before Christmas to see Mr. and Mrs. Fox Brunson Jr., Jeanne, Debbie and Ricky.

Mr. and Mrs. Henry Smith and family and Mrs. Arthur Brunson spent the weekend in St. Petersburg, Fla.

Mr. and Mrs. Quentin Helms and Phyllis of Valdosta, Ga., are spending two weeks with Mr. and Mrs. Herbert Whitley and Mr. and Mrs. Wyeth Bragg.

Miss Elizabeth Rowe of Montgomery was here.

CIVIL DEFENSE volunteers pick up in help fight an apartment house fire in Minneapolis while regular professional firemen were tied up with a massive downtown blaze. Civil defense reserves are often called on to help out during natural disasters—a vital service which also helps them to prepare for action in case of nuclear attack or other national emergency.

gomery was here for several days visiting Miss Zedie Rowe and Mr. Charles Rowe.

Mr. and Mrs. J. W. Kendrick visited relatives in Gadsden.

The Mamet Jones of Selma visited her mother, Mrs. Grace Taylor.

Mrs. Price Rizzo spent some time in Dothan at her sisters, Mrs. Donald Hammond.

Recent tests show that yellow is the most easily seen color in the woods. Red, the traditional color, ranked next to last.

4-H NEWS Round-up

TV Show—Carrell and Parrell Wyatt of the Fairview 4-H Club along with their purchased Duroc sow and several pigs will appear on the 30-minute program. I hope a lot of 4-H Club boys and others will watch this program at 7:30. These twin boys are the sons of Mr. and Mrs. G. T. Wyatt. Two or three other Coffee County farmers will appear on the 30-minute program.

Interested in their pig projects. County Council Meeting—Plans have been made for the annual 4-H Club County Council meeting to be held in Elba January 24. The Council is made up of the president and vice president of each of the 32 boys and girls clubs in Coffee County. Major plans for the year's activities will be made at this meeting.

Sylvie Donaldson of the Curts Club is president of the Council and on Jan. 22 and 23, Sylvie will represent Coffee County. Major plans for the year's activities will be made at this meeting.

State 4-H Leaders, H. E. Logue and Ann Rutz, will be in charge of the State meeting. Live On Cattle—A lot of 4-H members and adults ask me how to control lice on cattle. Lice show up about this time of the year, later in the spring hair on the necks of the cattle begins to come off. Cattle also rub against anything that is handy and this is a sure sign that lice are really bothering the cattle. Here's the way to control lice: For spray, use one of the fol-

lowing materials at the rate given in 6 gallons of water: 2 and one-half pounds of 50 percent Wettable DDT. Two and one-half pounds of 50 percent Wettable Methoxychlor. 1 pound of 40 percent Wettable Chlorodane. 1 pound of 40 percent Wettable Toxaphene. The dust forms of all of the above may also be used to sprinkle on cattle. Don't use Toxaphene or Chlorodane on young calves. If you don't have a sprayer, use a bucket and a rat or simply dust the material on.

Poorly Packaged Bales Are Costly—You wouldn't send an invitation to the most gala dinner of the social season in a dirty, ragged envelope.

Neither should you expect good prices for cotton that has been half-wrapped in an ugly torn cover. The tattered and torn bale, long a trademark of American Cotton, is just as offensive to the pocketbook as to the eye, says API Extension Agent, J. R. Ferrell.

In fact, economists in the Agricultural Marketing Service have estimated that almost three million dollars a year is spent by domestic spinners for cleaning bale surfaces and other pre-processing practices.

"Much of the added expense at the mill can be blamed on improper application of the covers and disorder caused by conventional sampling and handling practices," said Ferrell.

Never place a sweater on a hanger; fold it lightly and store in a drawer.

Sausage accounts for one out of every 12 pounds of meat produced in the United States.

—Leading Scorer—

BRITT KELLEY

Leading scorer so far this season is Britt Kelley, a 6-foot junior, who was named to the first team All-Tournament team in the Hartford Christmas Tournament. Britt came to Elba High last season with a fine reputation from the Curtis Junior High school, where he was an outstanding basketball player, and established himself on the Elba high varsity in his first year.

Be A Meal Magician

By taking advantage of the many good-eating, good-value foods that come in cans and jars, you can be a meal magician. There are many interesting dishes you can prepare such as today's Armenian Sauerkraut. The most potatoes and onions are arranged attractively in one dish. Make crisp apple-nut salad to go with it, and you're ready to charm the call to dinner in minutes. Now is the time to shop for canned foods for other good meals. You'll find a

Armenian Sauerkraut
1 can (15 oz.) sauerkraut
2 cups finely chopped green onions
1 can or jar (12 oz.) frankfurters
2 tablespoons butter
1 can (16 oz.) small white potatoes
1 tablespoon chopped parsley
Salt, pepper

Put sauerkraut and onion in saucepan. Brown frankfurters in hot fat. Remove frankfurters and put on top of sauerkraut; cover and cook slowly about 30 minutes. Brown drained potatoes in the butter. Sprinkle with salt and pepper. Top with frankfurters. Arrange sauerkraut, frankfurters and potatoes in serving dish. Four servings.

HOW TO BUILD YOUR HOUSE OF SAVINGS

THREE LITTLE PIGS

KEEP THE WOLF AWAY FROM YOUR DOOR WITH U.S. SAVINGS BONDS... 3 1/2% INTEREST!

(with apologies to the 3 little pigs)

You can build your house with straw. (But it may not keep you dry if a rainy day comes along.)

You can build your house with sticks. (But the winds of adversity might blow it down.)

The best way to build your house is with a solid foundation of bricks. (And U. S. Savings Bonds are some of the best savings bricks you can buy.)

Bonds are solid as a rock — guaranteed by your Government. They're loss-proof, fire-proof, theft-proof — the Treasury will replace them without charge in case of mishap. And the principal invested in Bonds is safe — not subject to market fluctuations.

Remember, the way to keep the big bad wolf from your door is to build your house of savings with bricks — the safe and sure kind — the U. S. Savings Bond kind. Start buying them regularly today — either on the Payroll Savings Plan where you work or where you bank.

Best of all, Savings Bonds now pay you higher interest — faster! Every Series B Bond purchased since February 1, 1957, pays you a safe and sure 3 1/2% interest when held to maturity. It pays higher interest, too, in the earlier years, and matures in only 8 years and 11 months.

Part of every American's savings belongs in U.S. Savings Bonds.

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council and

7 good ways you can STRENGTHEN AMERICA'S PEACE POWER

Pick the size that fits your budget best →

Every time you buy one of these Savings Bonds you do two things. You become a partner in the job of strengthening America's Peace Power. Because peace costs money. And you build savings for the future. Now that Series E Bonds take only 8 years and 11 months to mature, you can reach your savings goal quicker. Interest is higher, too — 3 1/2% at maturity. With the best security your investment can have — both principal and interest guaranteed by the government. Start buying a few extra!

BUY U.S. BONDS

Through the Keyhole

By Mrs. Robert Cannon

GREEN MAGNOLIA leaves reached their waxed loveliness to the gold leaf mirror above the fireplace. The mantle was banked in these leaves, with the center holding two satin covered wedding rings, ribbon tied. On either side of the fireplace were standard baskets of white gladiolus, cathedral candles of white tapers and green foil wrapped pots of poinsettias.

Thus was formed the altar for the marriage ceremony of Miss Victoria Lorene, daughter of Mr. and Mrs. A. C. Brunson Sr., to Mr. James Harold English Jr., son of Mr. and Mrs. James Harold English Sr., which was performed at the home of Mr. and Mrs. Fox Brunson Sr., uncle of the bride.

Mr. Curtis Duke officiated at the nuptials which took place on December 29 before a gathering of the families.

Mrs. Norman John at the piano presented a repertoire of traditional wedding music. She also sang "The Lord's Prayer" as a benediction.

Mr. Malcolm English, brother of the groom, and Mr. Winston Brunson, brother of the bride, seated the parents of the bride and groom on Victorian sofas which faced each other across

the living room. They also lighted the candles. Mr. Paul Morrow served as Best Man and entered the living room with the groom from the adjoining family room which was decorated with red poinsettias.

For her wedding, Victoria wore a suit of Dior Blue, the jacket of which was fashioned with fullness at the back. Her hat was of blue with shoulder length blue veil. She carried a white Prayer Book topped with a white orchid.

Miss Helen Plant acted as Maid of Honor. She wore a pink velvet dress cut with a Sabrina neckline. Her hat was also of pink velvet accented with soft pink feathers. A colonial nosegay of blue flowers, satin leaves and streamers completed her outfit.

Mrs. English wore a dress of white wool with back interest and pink carnation corsage. Mrs. Brunson chose a white crepe reinforced in blue and white carnation corsage.

Mrs. Fox Brunson wore blue crepe and lace with white flowers.

After the ceremony, 113 guests were invited into the dining room. The dining table was covered with an imported cloth of champagne embroidery over satin, which was caught at each corner with a single white camellia encircled with net and ribbon.

The buffet held a large bouquet of fuchsia pink-to-red flowers and white candles in hand painted holders.

Serving at the reception were Mrs. A. C. Brunson Jr., and Miss Madelyn Brunson, cousin of the bride. Mrs. Quentin Helms, cousin of the bride, registered the guests.

After the ceremony, Mr. and Mrs. English left for a honeymoon.

THOROUGHLY enjoyed hearing Laura Polson tell about the wonderful time she and Bob had in Columbus, Ga., last week. They went for the round of parties that accompanied the debut of Katherine Lillian Jordan, the lovely brunette, who wears Bobby's ring on her third finger, left hand.

Katherine Lillian was presented in her debut by her father, Mr. Leon Jordan and she wore the traditional white tulle gown and carried white corsage. A proud Bobby Polson escorted her and we know they must have been a handsome couple.

Laura and Bob came home after the weekend but Bobby stayed on as guest of the Jordans for more parties and before returning to Auburn for another quarter of studies.

A VERY PRETTY PARTY was given during the Christmas holidays by Flossie Harper for pretty and popular Gemma Rinsdorf. The Harper home was, as always, beautifully decorated and we particularly liked the lighted arrangement around the mantel.

All the guests were seated in the living room and entrance hall and the conversation was especially gay. "Thank" Harper, lovely in black lace, helped serve the refreshments and everyone commented on the tasty and unusual delights assembled on the pretty plates. It was a nice tribute to Gemma.

HOME CLUBS TO HAVE VISITOR OR THIS WEEK

By Mrs. Sara E. Hutchinson
Home Demonstration Agent
and
Mrs. T. B. Warkfield
Ass. Home Agent

Club of The Year—Several home demonstration clubs have completed their 1958 year books and we have them here in the office. I know there are still working on their books so by Jan. 23 we will have to have all books in. Last year the Key Line club was presented the Loving Cup. The books will be judged and the club will be announced later. Special Visits—

Yesterday Miss Kathleen Thompson conducted an agents area sewing construction class here. We learned a better way to set in a sleeve and to put in a hem where a pleat existed.

Miss Eulalia Ivey, district agent, visits with us today and tomorrow Mr. Bill Cox, specialist in Housing will be with us. Home Garden—

We would like to encourage every farm family to have a vegetable garden this year.

Our garden specialist Mr. John Bagby will be here for a leadership school on Jan. 22 at Elba First Baptist Church at 1:30 for a demonstration on home gardens.

Schedule For Next Week—

Camp Ground, Friday, Jan. 9 with Mrs. H. G. Averett, Bluff Springs, Monday, Jan. 12 with Mrs. Harper Grant. Whitewater, Monday, Jan. 12, with Mrs. Sam McCollough. Enterprise, Tuesday, Jan. 13, with Mrs. Betty Story. Tuleau, Tuesday, Jan. 13, with Mrs. Jule Brown. Zion Chapel, Wednesday, Jan. 14 with Mrs. Charlie Westbrook. Wilkes, Wednesday, Jan. 14, with Mrs. J. D. Rogers. Mt. Gilead, Thursday, Jan. 15 at the club house. Mt. Pleasant, Thursday, Jan. 15 with Mrs. J. W. Boaman.

TIPS ON HOW TO SAVE LIVES OF LITTLE PIGLETS

The number of pigs you save from each litter might decide how much profit you'll make in a few months.

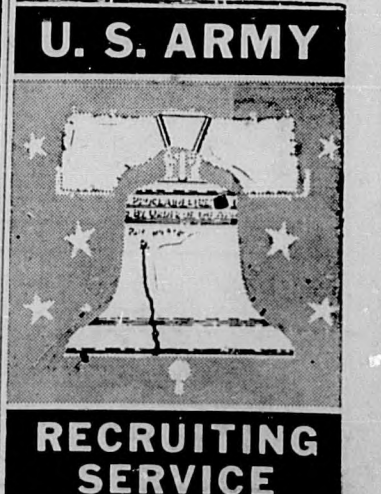

To save more pigs per litter, try following these farrow tips offered by API Extension Hogs Production Specialist G. B. Phillips.

First, scrub farrowing quarters with a solution of one pound of lye to 25 gallons of hot water. Scatter finely chopped bedding over the pen. Wash the sow with soap and water to remove filth, mud, and parasite eggs. Don't forget legs and underline. To prevent feverishness, feed her a mixture of half bran and half her regular ration a few days before farrowing.

Stay with your sow when she may need you. Don't let her lie on her pigs and smother them. If necessary, help the pigs to nurse. Use a heat lamp to prevent chilling. Clip and tie the navel cords and dip the stubs in iodine to prevent infection.

On farrowing day, don't give the sow anything but water. Feed limited amounts of half ration and half bran for two or three days afterward. Then gradually increase her feed. She should be on full feed about 10 days after farrowing.

Preparedness For Peace Stressed In First Annual CD Observance

Remember Pearl Harbor? Most adult Americans do. And they still remember the cold chill that ran down their spines as radio blared forth the news of the sneak attack on Pearl Harbor. America was plunged into war. Seventeen years after that infamous December 7, Americans have just been reminded by the first annual Civil Defense Day how the chances for peace can be improved through the preparedness of every family and the enemy's knowledge that we are prepared.

IN HAWAII, now well aware of the need for vigilance and preparedness, the Territorial Civil Defense Agency today is ready to help minimize the effects of any future attack with trained manpower, in a tunnel under famed Diamond Head, tons of emergency supplies and a smoothly-functioning control center would provide a nucleus for all civil defense operations in an attack.

But civil defense, in these Pacific Isles as elsewhere, is only as good as its public support. Preparations for a nuclear attack, or even natural disaster, must be made in advance; afterwards, it is too late.

The people of Cameron, La., whose failure to heed warnings cost 17 lives to Hurricane Audrey, know this only too well. And in the 197 lives to Hurricane Audrey, they have learned the value of an organized effort, such as civil defense, in rebuilding. The Office of Civil and Defense Mobilization has authorized \$2,204,990 toward the rebuilding of Cameron Parish county.

The annual stockholders meeting of the Farmers Live-stock Cooperative, Elba, Ala., will be held in the Court House at Elba Friday night, Jan. 16.

Board of directors for 1959. Your dividend check will be ready. Come get your check and vote for whom you want for directors.

PECAN PLANTING LAID OUT BY 4-H MEMBERS

By Tom Casaday

Several 4-H Club members who others have asked me about pecans, pecans and also about pecan trees. They have learned the value of an organized effort, such as civil defense, in rebuilding. The Office of Civil and Defense Mobilization has authorized \$2,204,990 toward the rebuilding of Cameron Parish county.

On trees 15-20 years old use 500-600 pounds of 8-8-8 per acre in February or March. And if a fall cover crop is planted use 500-600 pounds of 0-14-14 per acre. If Bermuda sod is present, use 50 pounds of nitrogen per acre in early summer.

February is 4-H project reporting month for Coffee County club boys. There are about two dozen projects boys may select from. Boys do their best work with a project they enjoy working with. And they need the encouragement and backing that only parents can give.

Let's all join together and make 1959 a banner year for 4-H projects.

Each year more and more boys become interested in hog and cattle projects. Livestock projects are more popular because most boys like to work with animals. Our food supply is the only thing that holds back livestock production.

In my opinion, farm income in Coffee County will increase over the years. If it increases, from livestock rather than cotton and peanuts, it encourages livestock projects in every way possible, because we believe that the opportunities are before us.

Higher earnings, up to \$4000 per year, can now be credited to individual social security accounts, according to a reminder statement issued by Harry M. Scott, district manager, Social Security Administration.

The new earnings base far all workers under the social security system replaces the old \$4200 per year ceiling which was in effect from 1955 through 1958.

The increased base will apply to future social security benefits determinations as well as social security tax contributions, Mr. Scott said. It means that many individuals whose earnings exceed \$4200 per year will pay more beginning in 1959 and will also get more when benefits become due.

The higher tax and benefit base reflects the general increase in earnings levels in the past few years and the principal of keeping benefits related to earnings. It will result in greater over-all old-age, death, and disability protection for most people under social security, Mr. Scott said.

CATTLEMEN TO MEET
Alabama Cattlemen's Association members, a thousand strong, are expected in Montgomery, January 29 and 30 for the 16th Annual Meeting. J. L. Adams, Dothan, president, has predicted.

Most middle-aged men enjoy dancing. If they can sit fairly close to the stage—Changing Times

'A Scout Is Friendly' Is Theme Of Boy Scouts' 49th Anniversary

FOR ALL BOYS

BOY SCOUTS OF AMERICA
49th ANNIVERSARY 1959
ONWARD FOR GOD AND MY COUNTRY

OFFICIAL BOY SCOUT WEEK POSTER

The nation's 4,780,000 Cub Scouts, Boy Scouts, Explorers, and adult leaders observe Boy Scout Week, February 7 to 13, by launching the fourth and final year of the "Onward for God and My Country" program.

The 49th anniversary emphasis is "A Scout is friendly."

Through their World Friendship Fund of voluntary contributions the Boy Scouts of America have helped Scouts in 48 other nations.

America will be represented by several hundred Scouts at the Tenth World Scout Jamboree, next July 17-25 in Makiling National Park near Manila in the Philippine Islands.

During Boy Scout Week, hundreds of Scouts will be successful in carrying out projects in traffic, outdoor, and safety in last year's Safety Good Turn

Only a jump shot fired in the last second of play by Catton Gantt of the Andalusia High Bulldogs kept the Elba Tigers from a final game victory in the SAC Tournament held in Hartford last Saturday night.

Elba took a 14-12 lead at the end of the first quarter and ended strong through the second quarter as Andy led with a 27-25 lead at the halftime. The lead changed hands numerous times during the game, and neither team made more than a six point margin at any time. The Tigers again led in the third quarter 35-31, but the Bulldogs came back strong in the last frame, outscoring the Tigers 15 to 11.

High for Elba was Britt Kelley, who pumped in 20 points for the Tigers. Tom Dyes added 12 to a losing cause. Hinton Butler paced Andalusia with 15 while Grady Elmore and Catton Gantt were close behind with 14 each.

Quarter - Finals
In the quarterfinals, Elba won a close game over the strong Enterprise Wildcats, 54-48. The lead changed hands several times and the outcome was in doubt until the final minutes. Elba's smaller team, led by Chuck Free and Carl Neely, out-rebounded their taller opponents.

Kelley again paced the Elba attack with 18 points. Free and Dyes added 13 each. Bobby Paschal was high for Enterprise with 16.

Semi - Finals
Tom Dyes' 20-point effort paved the way for the Tigers to gain the finals as they defeated Oark 55-48. Dyes' final performance led the Tigers as they were never behind.

Chuck Free and Britt Kelley came up with 14 each. Harvey Johnson was high for the losers with 17. Walter Johnson next with 15.

The Runnup trophy was presented to the Tigers after the final game by J. E. Nolin of Opp.

For hybrid vigor, which results in stronger pigs and good carcasses, cross bred meat-type sows of one breed or pure bred meat-type sows of a different breed.

BOARD ORDERS PRINTING AND REPAIRS MADE

A contract for repairs to the Court House at Enterprise and a contract for printing 7,500 tax lists in duplicate for the Coffee County Tax Assessor were awarded by the Coffee County Board of Commissioners Monday.

Ray Lolley of Enterprise, was awarded the contract for Court House repairs on his bid of \$12,778.80 as the lowest of four submitted. Other bids were: John D. Catton, Enterprise, \$13,350.00; Robert King, Elba, \$19,900.00; Spencer Construction Co., Enterprise, \$16,418.35.

The Elba Clipper was awarded the contract for printing 7,500 tax returns in duplicate for the Tax Assessor on a bid of \$890.00 as the lowest of four submitted. Other bids were: G. H. Printing and Stationery Co., Mobile, \$812.00; Roberts and Son, Birmingham, \$812.00; Marshall and Bruce, Nashville, \$892.00.

Present were Probate Judge J. O. Enclish and Commissioners Brown, Tindol and Whit.

Commissioner Brown was absent due to illness.

CONTEST HELD
FOR HONOR OF
W. L. BRUNSON

Through January, 1959, a contest will be held among the agents, superintendents, and managers of the National Security Insurance Company. The contest will be held in honor of the company's president, W. L. Brunson, to show appreciation for the many devoted years of hard work he has spent with National Security.

The members of the contest will present their sales reports February 7. There will be only one winner in each category.

Application for the winner's good salesmanship will be shown by plaques, with their names engraved, to be hung in the Home Office building, for visitors and personnel to admire for many years.

The incorporators were listed as: J. E. Pittman Jr., J. F. Brunson, L. S. Rainer Jr., J. L. Brunson, J. M. Kinney, W. L. Brunson, D. M. English, Mabel Brunson and the National Security Insurance Company.

The first officers of the corporation are: W. L. Brunson, President; J. E. Pittman Jr., Secretary-Treasurer; and J. F. Brunson, Vice President. The company plans to write both automobile, physical, dental, and fire insurance. The business will be reinsured with the American Independent Reinsurance Company of Orlando, Florida. The company will not write liability insurance.

The company will begin business with a paid-in capital stock of \$200,000.00, and a paid in surplus of \$100,000.00.

CORRECTION
This newspaper made a series of errors in an obituary published recently. We said the deceased's first name was Joseph when it was Josephus, and we said his last name was Smith. It was really Smyth and we said his wife's name was Hannah when it was really Suzanne, and we said he lived at Tea Run when it was really at Tea.
